FTSE Bursa Malaysia KLCI Constituents Unchanged
After December Semi-Annual Review

Kuala Lumpur/Hong Kong, 12 December 2013 – FTSE Group (FTSE), the award-winning global index provider, and Bursa Malaysia Berhad (Bursa Malaysia) announced that there are no changes to FTSE Bursa Malaysia KLCI following the semi-annual review of the FTSE Bursa Malaysia Index Series.

The index series is reviewed semi-annually by the independent FTSE Bursa Malaysia Index Advisory Committee. The committee is made up of leading market professionals who ensure that the index review fully complies with a set of highly transparent and publicly available index rules.

As part of the FTSE Bursa Malaysia Index Series, the FTSE Bursa Malaysia KLCI is widely used by investors as the primary benchmark for the Malaysian market, and forms the basis of a wide range of investment products, including the FTSE Bursa Malaysia KLCI ETF, FTSE Bursa Malaysia KLCI Futures (FKLI), FTSE Bursa Malaysia KLCI Options (OKLI) and other index-linked financial products.

The FTSE Bursa Malaysia KLCI reserve list, comprising the five highest ranking non-constituents of the index by market capitalisation, will be YTL Power International, Bumi Armada, KLCC Prop & REITS – Stapled Securities, Gamuda and Malaysia Airports. The reserve list will be used in the event that one or more constituents are deleted from the FTSE Bursa Malaysia KLCI during the period up to the next semi-annual review.

At this review, the Committee also approved the following changes to other indices in the FTSE Bursa Malaysia Index Series.
